Agenda Item No. 8(F)(3)

Subject: Recommendation for Approval of a Designated Purchase under Contract No. RFQ97-2(2), Towing Services for the Miami-Dade Police Department

Recommendation

It is recommended that the Board of County Commissioners (Board) approve this request for a designated purchase under *Contract No. RFQ97-2(2)* for the towing and storage of towed or impounded vehicles for the Miami-Dade Police Department. Approval of a designated purchase is being requested, pursuant to Section 2-8.1(b)(3) of the Miami-Dade County Code, to authorize the extension of the current contract term by six (6) months and increase expenditure authority by \$11,600 to ensure continuity of services while the competitive selection process for the replacement solicitation is finalized and a contract is awarded.

This contract was established in August 2007 for the Police Department to facilitate the towing and storage of towed or impounded vehicles. The contract's method of award was up to two (2) vendors per district on a 24-hour rotating basis. The services are administered in accordance with applicable law governing the towing and impoundment of vehicles by the Police Department. The maximum non-consent towing fees that may be charged are set by the Board. The County receives an administrative fee of \$15 for each vehicle that is recovered, towed, removed, or stored at the request of the Police Department, excluding law enforcement tows. Law enforcement tows include any vehicle or property placed on hold or extended hold for an investigation, trial, evidence or forfeiture case, paid by the County at a reduced rate.

The current term was extended administratively by six (6) months under the County Mayor's delegated authority to afford sufficient time to develop a replacement solicitation that best meets the County's needs. The County anticipates awarding contracts to up to two (2) vendors per district. The replacement solicitation was advertised under full and open competition on December 7, 2015 and responses were due on January 29, 2016. It is anticipated that a contract award recommendation shall be made by May 2016.

This item is presented for Board approval as a designated purchase because the Administration has exhausted its authority to extend the contract. Competition is not practicable at this time as the replacement solicitation has been advertised. Accordingly, it is in the best interest of the County to authorize this designated purchase to support ongoing demand for towing and impoundment services until the new contract is awarded.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

This contract, which is in its final option to renew term, expires March 31, 2016 and has an existing allocation of \$50,000. The additional time requested will extend the contract's expiration date to September 30, 2016. The requested additional allocation of \$11,600 is prorated based on the current allocation and results in a total modified contract allocation of \$61,600 as shown in the table below.

Department	Existing Allocation for Current Option to Renew Period	Additional Allocation Requested	Modified Allocation	Funding Source	Contract Manager
Police	\$50,000	\$11,600	\$61,600	General Fund	Sgt. Eldelmira Moraitis
Total:	\$50,000	\$11,600	\$61,600
